Margo Guryan

YES I AM Words and Music by Margo Guryan I'm discouraged by the situation

Yes I am

I'm bewildered by your explanation

Yes I am

Did you know

Was it right

Was it wrong

Hm' hm' hm'

If you think that I'm dejected

Well I am

Yes I am I'm the target of your ammunition

Yes I am

And I'm torn and riddled with suspicion

Yes I am

Do you know

Is it good

Is it bad

Hm' hm' hm'

If you think that I'm offended

Well I am

Yes I am Isn't it like long ago

Playing children's games

Catch a liar by the toe

If he hollers let him go

Then you'll never have to know

Never have to know I'm embarrassed by your reputation

Yes I am

And I'm fearful of your desperation

Yes I am

Is it true

Is it false

Is it true

Who, who, who

If you think I'm unconverted

Well I am

Yes I am I'm astounded by your circumvention

Yes I am

I'm insulted by your condescension

Yes I am

Is it fair  
Is it foul  
Will it play  
Hey! Hey! Hey!  
If you think I'm disaffected  
Well I am  
Yes I am
