

# Yesterday I Heard The Rain (with AlÃ©jandro Sanz)

**Tony Bennett**

Yesterday I heard the rain whispering your name  
Asking where you'd gone  
It fell softly from the clouds on the silent crowds  
As I wandered on  
Out of doorways black umbrellas came to pursue me  
Faceless people as they passed were looking through me  
No one knew me Yesterday I shut my eyes, face up to the skies  
Drinking in the rain  
But your image still was there, floating in the air  
Brighter than a flame Yesterday I saw a city  
Full of shadows without pity  
And I heard the steady rain  
Whispering your name  
Whispering your name Yesterday I saw a city  
Full of shadows without pity  
And I heard the steady rain  
Whispering your name  
Whispering your name
