The Roman Road

Super Furry Animals

I was raised on a Roman road
You could argue that a film we saw
Where the plane was a child to the
Rich above her cuts away her soulSeeing where the fulcans fly
Where the low-flying jets with their heads for highs
Looking at the valley below
All the cars and the trucks they just go go goRoman road
It's a little pitstop on the road to Rome
The Roman road
It's a line to the past and a road to Rome
The Roman road
It's a little pitstop on the road to Rome
The Roman road
All the cars and the trucks they just go go go
(Scheming and a-dreaming there is reason to be living)When we talked to the mountain goats
I could tell that they understood
That the universe is flat
And trees are made of woodStaring at the nebula
I plant my root to distant fruit
Flying my kite up high
To stop those Fokkers flying byOn the Roman road
It's a little pitstop on the road to Rome
The Roman road
It's a line to the past and a road to Rome
The Roman road
It's a little pitstop on the road to Rome
The Roman road
It's a line to the past it just go go go
(Scheming and a-dreaming there is reason to be living)The Roman road
It's a little pitstop on the road to Rome
The Roman road
It's a line to the past it just go go go
On the Roman road
It's a little pitstop on the road to Rome
The Roman road
All the cars and the trucks they just go go go
(Scheming and a-dreaming there is reason to be living)On the Roman road
(Scheming and a-dreaming there is reason to be living)
The Roman road

(Scheming and a-dreaming there be reason to be living)
On the Roman road
(Scheming and a-dreaming there is reason to be living
Scheming and a-dreaming there be reason to be living
Scheming and a-dreaming there is reason to be living
Scheming and a-dreaming there be reason to be living
Scheming and a-dreaming there is reason to be living
Scheming and a-dreaming there is reason to be living
Scheming and a-dreaming there is reason to be living
Scheming and a-dreaming there is reason to be living)
