

# Luxury Cage

## Republica

Future you, future me  
You make the whole damn day feel longer  
It's taking me over  
It makes me feel older  
Creature you, creature me  
I shed my coat but it turned winter  
Just look at the weather  
It's raining forever  
But I could stay, stay in this luxury cage  
Wouldn't that be great  
I don't think so  
(I don't think so)  
Yeah, I could stay, stay in this sparkling fake  
Stay in this beautiful masquerade  
I don't think so  
(I don't think so)  
Future you, future me  
I shut myself out from the world now  
The sounds getting so loud  
You're making me spin round  
But I could stay, stay in this luxury cage  
Wouldn't that be great  
I don't think so  
(I don't think so)  
Yeah, I could stay, stay in this sparkling fake  
Stay in this beautiful waste of space  
I don't think so  
(I don't think so)  
Future you, future me  
I guess I'll have to set my sights higher  
I'm too near a liar  
It makes my feel tired  
But I could stay, stay in this luxury cage  
Wouldn't that be great  
I don't think so  
(I don't think so)  
Yeah, I could stay, stay in this sparkling fake  
Stay in this beautiful waste of space  
I don't think so

(I don't think so)
