

# Christmas In Heaven

[Scotty McCreery](#)

December hasn't changed  
This town looks the same  
They still light that tree in the city square  
There's red, white, and green shining everywhere  
And I wish you were here  
And I wonder.....Is the snow falling down on the streets of gold  
Are the mansions all covered in white  
Are you singing with angels silent night  
I wonder..... what Christmas in Heaven is like  
There's a little manger scene  
Down on Third and Main  
I must've walked right by it a thousand times  
But I see it now in a different light  
'Cause I know you are there  
And I wonder.....Are you kneeling with shepherds before Him now  
Can you reach out and touch His face  
Are you part of that glorious holy night  
I wonder..... What Christmas in Heaven is like
