You Light Up My Life

Johnny Mathis

So many nights I sit by my window
Waiting for someone to sing me his song
So many dreams I kept deep inside me
Alone in the dark but now
You've come alongYou light up my life
You give me hope
To carry on
You light up my days
And fill my nights with songRollin' at sea, adrift on the water
Could it be finally I'm turning for home?
Finally, a chance to say hey,
I love You
Never again to be all aloneYou light up my life
You give me hope
To carry on
You light up my days
And fill my nights with songYou light up my life
You give me hope
To carry on
You light up my days
And fill my nights with songIt can't be wrong
When it feels so right
Cause You
You light up my life
