

Listen

Jason Nevins

Listen in the places you hide
Listen through the stillness inside
 Yeah, yeah, yeah listen
 To the words that are near
 And try to hear
 Listen take one less step away
 Please listen love may persuade you to stay
 Yeah, yeah, yeah baby listen
 Past the sound of your fear
 And try to hear
 Two hearts that doubted now beg to believe
 Aching in silence each whispers a plea
 Secrets of longing kept buried away
 Sadly their calling grows weaker each day, yeah
 Please listen for hope that's been left behind
 Listen to the small traces you find
 Yeah, yeah, baby please listen
 Before this chance disappears

 And try to hear
 Listen in the places you hide
 Yeah, listen through the stillness inside
 Please, please, baby listen
 For the love that is near
 And try to hear
 Listen take one less step away
 Yeah, yeah, yeah, listen
 Don't run so far off today
 Please, please, baby listen
 Push aside all your fears
 And try to hear
 Yeah, listen
 Listen, please, baby listen
 Yeah, yeah, yeah, baby listen
 Past the sound of all fears
 And try to hear
