I Believe

Jimmy Fisher & Contagious Praise

I Believe
Rebecca McKinley & Jimmy Fisher

Verse:
I call upon the name of the Lord
He is my refuge, my hope
Through every trial
I will shout His praise
Telling the world that my God saves

Chorus:
I believe
In a great God
Who sees me
Who knows my every need
He's a great God
And He loves me
That's why I believe
In a great God
Who hears me
Who always answers me
He's a great God
And in miracles today
I will believe
Yes, I will believe

Bridge:
Nothing can separate me
From my Savior's love
No weapon formed against me
Will succeed in stopping me
By His Power I will overcome

Vamp:
Call on the name of the Lord
He will hear your cry
He will provide
He's a great God
