

Push The Feeling On

The Nightcrawlers

If you're feeling underpressure
And something has been on your mind
You gotta have yourself a good time
Take a look and you just might find Pushin' it on, it on, it on
Pushin' it on, it on, it on
Pushin' it on, it on, it on
I'm pushin' it on!
(... It on, it on)

Let me hear you Time has been hard for you baby
This I know, this I know!
But if you look you will find
That is just a matter of time
Before the rhythm gets into you
You you, ehy!
Pushin' it on, it on, it on
Keep pushin'...
Pushin' it on, it on, it on
Keep pushin', keep pushin...
Pushin' it on, it on, it on
Keep pushin' it on...I'm pushin' it on!
(... It on, it on) Let me hear you!
