Best Friend

Wank

best friend
lie to me
call me your best friend
sell me out
make me a fool
right or wrong
i tried my best just to stay so true
acting so cool
call it denial or blindness
you don't treat your friends like this
'cause you're lyin (oh yeah)and hurtin(oh yeah)
you play your stupid games
you play your dirty tricks
you're lyin(oh yeah) and hurting(oh yeah)
friends don't treat friends like this
best friend
say bad things, call me a user
i'm confused, who's getting used
criticize behind my back yeah
yeah that i'm no good,
that i'm so damn rude
creeping like an assassin in the night
hurting your friends it just ain't right
'cause you're lyin(oh yeah) and hurtin(oh yeah)
you play your stupid games
you play your dirty tricks
your lyin(oh yeah) and hurtin(oh yeah)
friends don't treat friends like this
best friend
why can't you understand
stab my back and shake my hand
can't you see...it's killing me
you play it cool, but i'm on to you
for i know that i'll make it through
all the mud
you sling it so well
but tonight it comes back to you
call it denial or blindness
you don't treat your friends like this

'cause you're your lyin (ohyeah)
and hurting (ohyeah)
you play your stupid games
you play your dirty tricks
you're lying(oh yeah) and hurting(oh yeah)
friends don't treat friends like this (2x)
best friend yeah
