

Perfect Family

Bleach

There was this boy, his name was Jerry
He had a girl and her name was Sally
They were so happy, so much in love

Drank Coca Cola in his mini bus
A few years later, but they got married
They had two kids and a dog named Spot
They were so happy, so much in love

They put their kids to bed and went and watched 'Ben Hur'
The perfect family, Jerry and Sally, the perfect family
family

The perfect family, Jerry and Sally, perfect family
The perfect family, Jerry and Sally, the perfect family
The perfect family, Jerry and Sally, the perfect family
