

# I Need You

## America

We used to laugh, we used to cry  
We used to bow our heads then wonder why?  
Now you're gone I guess I'll carry on  
And make the best of what you've left to me  
Left to me, left to me I need you like the flower needs the rain  
You know I need you  
Guess I'll start it all again  
You know I need you  
Like the winter needs the spring  
You know I need you, I need you An' every day I'd laugh the hours away  
Just knowin' you were thinkin' of me  
Then it came that I was put to blame  
For every story told about me  
About me, about me I need you like the flower needs the rain  
You know I need you  
Guess I'll start it all again  
You know I need you  
I need you, I need you Like the winter needs the spring  
You know I need you  
Guess I'll start it all again  
You know I need you  
I need you, I need you Like the flower needs the rain  
You know I need you  
Guess I'll start it all again  
You know I need you  
I need you, I need you Like the winter needs the spring  
You know I need you  
Guess I'll start it all again  
You know I need you  
I need you, I need you
