Justa Interlude

Heavy D

It's time again, it's definitely time again
Check, check, check check
It's time againFunk... say what?
Just a interlude y'all, just a interlude
Interlude y'all, yeah (it's just a interlude?)
Just a interlude y'all, just a interlude
Interlude y'all, yeah (just a interlude)
Just a interlude y'all, just a interlude
It's an interlude y'all, yeah, check itWhat the deal like, what it feel like, talk to me
Lyrically I'm spittin, y'all niggaz ain't fittin
Verbally you heard of me, I give a match in like a bookie
Chicks looky looky, you ready ready?
It's Heavy Heavy, Waterbed (what?)
Do or die, nigga fly with his crooked eye
Who stoppa, Heav' Dada, no-ba-da
Beat rocker, non-stopper
No time for them 9-8 cats
We forever and for real try that
Check the stats, we in Godfather hats
Not for nuttin but I'm like Heav' Corleone or somethin
No frontinIt's an interlude
Just a interlude y'all, it's just a interlude
It's an interlude y'all, it's just a interlude
It's an interlude y'all, it's just a interlude
It's an interlude y'all, it's just a interlude
It's an interlude y'all, it's just a interlude
It's an interlude y'all, it's just a interlude
It's an interlude y'all, it's just a interlude
And we out (Waterbed)
