

# Mother of Dragons

## Soulfly

Mater  
Thunder and lightning  
Halo of light  
Mother of dragons  
Draco, warrior  
They call me, Spitfire A phoenix from the ash, this is my destiny  
My reign is forever, no way you can kill me  
A battle I will wage, the dawn of this new age  
My time has arrived, now feel my rage Black wings unfurl the life to my bones  
Dying in smoke, I'm born in the coals  
Scales hard as iron, you'll never pierce my hull  
Run you fucking cowards, pissing as you're burned Rise my dragons, rise above it all  
Rise my dragons, rise till dawn  
Rise my dragons, into the unknown  
Rise my dragons, take your throne
