

# Pink & Blue

## Outkast

[Andre 3000] Pretty pink, baby blue  
Why don't (why don't) you teach me something new  
We're all (we're all) just babies in my view  
So crawl baby  
Crawl baby  
Pretty pink, baby blue  
Why don't (why don't) you teach me something new  
We're all (we're all) just babies in my view  
So crawl baby  
Crawl baby  
Miss lady  
You could have been born a little later but I don't care  
So what if your head sports a couple of grey hairs  
Same here, and actually I think that's funky  
(In a Claire Huxtable type way)  
Miss lady  
It looks to me like you need a little juice in your life  
So call me when that big ole house gets lonelyfied  
And I'll teleport from here to there  
You show me how it's supposed to be done  
I'll make sure you have young fun  
Pretty pink, baby blue  
Why don't (why don't) you teach me something new  
We're all (we're all) just babies in my view  
So crawl baby  
  
Crawl baby  
Pretty pink, baby blue  
Why don't (why don't) you teach me something new  
We're all (we're all) just babies in my view  
So crawl baby  
Crawl baby  
You're sophisticated  
Just me and miss lady  
You've got me talking like a baby  
You make me talk baby talk  
She's so sophisticated  
You make me talk baby talk  
Just me and miss lady

She makes me talk baby talk  
Got me talking like a baby  
Like ga ga and goo goo  
Oh momma  
You're so sophisticated  
Make me talk baby talk  
Just me and miss lady  
You're so experienced  
Got me talking like a baby  
Teach me something new  
Teach me something new  
You're sophisticated  
Just me and miss lady  
You got me talking like a baby
