

Favours in the Beetroot Fields

British Sea Power

Who's a little Caesar
Taking all the world
Who's a little Caesar
Breaking all the records
Who's a little Caesar
Who's a little Caesar
Who's a little Caesar
Taking all the worldThe universe is a record
Of everything you say and do
Who's a little Caesar
Who's a little Caesar
The universe is a record
Of everything you say and doThe north island isle is a mighty good isle
The north island isle is a mighty good isle
The north island isle?
