

To be young (is to be sad, is

[Ryan Adams](#)

Young boy, you done me bad, I went and did ya wrong
Young boy, you done me bad, I went and did ya wrong
Then I got high, Lord I got high, and I got a bone to pick with you
And I'm sure you know it's true Oh one day when you're looking back
You were young and man you were sad
When you're young you get sad
When your young you get sad, then you get high
Oh man Young gal you done me bad and I went and did ya wrong
Young gal you done me bad so I went and did ya wrong
Then I got high
Lord, I got high
Now you got a bone to pick with me, but I wish you'd let me be Oh one day when you're looking back
You were young and man you were sad
When you're young you get sad
When your young you get sad, then you get high
You get high
