# Mirror

## Smiling Horse

Look in the mirror and see something better
It looks so much better I know
You should realized
That people would be surprised
If they knew the time you went through

Look in your eyes
When youâ€™ve got nothing to do
Nothing better then looking at you
It will respond take your time
Was waiting for this all the time

Friend oh friend of disagree
We should life in harmony
Communication frustration relation
Coming out of misery

Look in your eyes
When youâ€™ve got nothing to do
Nothing better then looking at you
It will respond take your time
Was waiting for this all off the time

Land oh land of history
People should life in harmony
Communication creation United Nations
Coming out of misery
