Swing Low

All Angels

Swing low, sweet chariot
Coming for to carry me home
Swing low, sweet chariot
Coming for to carry me homeSwing low, sweet chariot
Coming for to carry me home
Swing low, sweet chariot
Coming for to carry me homeI looked over Jordan, what do I see
Coming for to carry me home
A band of angels coming after me
Coming for to carry me homeSwing low, sweet chariot
Coming for to carry me home
Swing low, sweet chariot
Coming for to carry me home
