Truth or Dare

Marianas Trench

Now follow me down to it,
Just follow me down to it
Nobody will know how you come and you go for it
Not gonna get dangerous,
You don't gonna worry bout' us
Somebody to give what you get
And you get what you need nowAnd these lights get bright,
So let me show ya
Be so, so, so nice to know yaIt's as easy as,
1, 2, 3, do you see what I do
Truth or dare, yes I double dare ya
You, you, me, now I think I got it
One last breath and just spin the bottle now*you know you don't need to be so worried,
Even though below I'm still thinking bout' it*1, 2, 3, now double dare me as well
Truth or dare*dirty little secret, dirty little secret*This will be our little*dirty little secret, dirty little secret*This we be our little
You get to the slow to set,
Give in he trust to feel it
Give in to the push and the pull and the forth and back
Oooooh
Your not gonna slow me down,
Not gonna hold you to it
I guess it depends, in the end
After all we're all friends here
HereAnd these lights, big bright,
So let me show ya
So, so, so nice to know yaIt's as easy as,
1, 2, 3, do you see what I do
Truth or dare, yes I double dare you
You, you, me, now I think I got it
One last breath and just spin the bottle now*you know you don't need to be so worried,
Even though below I'm still thinking bout' it*1, 2, 3, now double dare me as well
Truth or dare*dirty little secret, dirty little secret*This will be our little*dirty little secret, dirty little secret*This we be our little*dirty little secret, dirty little secret*This will be our little*dirty little secret, dirty little secret*And this we be our little
