

# Truth or Dare

## Marianas Trench

Now follow me down to it,  
Just follow me down to it  
Nobody will know how you come and you go for it  
Not gonna get dangerous,  
You don't gonna worry bout' us  
Somebody to give what you get  
And you get what you need now And these lights get bright,  
So let me show ya  
Be so, so, so nice to know ya It's as easy as,  
1, 2, 3, do you see what I do  
Truth or dare, yes I double dare ya  
You, you, me, now I think I got it  
One last breath and just spin the bottle now\*you know you don't need to be so worried,  
Even though below I'm still thinking bout' it\*1, 2, 3, now double dare me as well  
Truth or dare\*dirty little secret, dirty little secret\*This will be our little\*dirty little secret, dirty little secret\*This  
we be our little  
You get to the slow to set,  
Give in he trust to feel it  
Give in to the push and the pull and the forth and back  
Ooooooh  
Your not gonna slow me down,  
Not gonna hold you to it  
I guess it depends, in the end  
After all we're all friends here  
Here And these lights, big bright,  
So let me show ya  
So, so, so nice to know ya It's as easy as,  
1, 2, 3, do you see what I do  
Truth or dare, yes I double dare you  
You, you, me, now I think I got it  
One last breath and just spin the bottle now\*you know you don't need to be so worried,  
Even though below I'm still thinking bout' it\*1, 2, 3, now double dare me as well  
Truth or dare\*dirty little secret, dirty little secret\*This will be our little\*dirty little secret, dirty little secret\*This  
we be our little\*dirty little secret, dirty little secret\*This will be our little\*dirty little secret, dirty little  
secret\*And this we be our little
