

# Zipper

## Jason Derulo

Advisory - the following lyrics contain explicit language:

I'ma mark my territory  
Shawty I'm an animal, slowly digging in to you  
Spread you like a bad story  
Turn you to a criminal, let me see you cock it back  
Bang bang bang on it  
'Til the head board break  
Make me think that I wanna put a ring on you  
But first I'll make you sign for me  
And all the ladies say I wanna ride  
I wanna ride  
Up and down like a zipper  
Zipper, zipper, zipper  
Up and down like a zipper  
Zipper, zipper, zipper I could be sweet, lady  
Or eat it like a cannibal  
Go places that your man can't go  
In my back seat baby  
You're smoking like some good good  
Once I hit that good good  
Make me beg beg for it  
Mama taught you well  
'Cause it ain't about booty but the brain baby  
Now let me hear you sing to me  
And all the ladies say I wanna ride  
I wanna ride  
Up and down like a zipper  
Zipper, zipper, zipper  
Up and down like a zipper  
Zipper, zipper, zipper She like wearing my snap backs  
She got that snap back  
So if I ever wanna leave  
I'll be right back

Ooh girl  
I need it  
Ooh girl  
Got me fiending  
You a 'go' girl  
I'll never go girl  
'Cause when you surfing in my bed  
I'll be like go girl  
Ooh girl  
I need it  
Ooh girl  
Got me fiending I wanna ride  
I wanna ride  
Up and down like a zipper  
Zipper, zipper, zipper  
Up and down like a zipper  
Zipper, zipper, zipper
