

Tangled Up in Plaid

Queens of the Stone Age

I slipped,
Didn't mean to do it that way.
But I blew in on a whim, gone tomorrow?
I've gone today Oh yeah oh yeah
Oh oh oh oh yeah Come,
Let's play it loud and let each other lose
A win would cause an alarm
Don't matter to me
Don't matter to you Oh yeah oh yeah
Oh oh oh oh yeah I could keep you all for myself
I know
You gotta be free
So free yourself I could keep you all for myself
I know
You gotta be free
So free yourself Self inflicted wound, your gift,
Impeccable aim
Can really clear a room
All the bodies piled up in your way Oh yeah it hurts so bad
Oh oh oh oh yeah I could keep you all for myself
I know
You gotta be free
So free yourself I could keep you all for myself
I know
You gotta be free
To kill yourself
