

One

Dokken

One is the loneliest number that you'll ever do
Two can be as bad as one
It's the loneliest number since the number one
No is the saddest experience, you'll ever know
Yes it's the saddest experience, you'll ever know
'Cause one is the loneliest number that you'll ever do
One is the loneliest number wouldn't work for two
One is the loneliest number
One is the loneliest number
One is the loneliest number that you'll ever do
It's just no good anymore since you went away
Now I spend my time just making rhymes of yesterday
One is the loneliest
One is the loneliest
One is the loneliest number that you'll ever do
It's just no good anymore since you went away
(Number)
One is the loneliest
(Number)
One is the loneliest
(Number)
One is the loneliest number that you'll ever do
(Number)
One is the loneliest
(Number)
One is the loneliest
(Number)
One is the loneliest number that you'll ever do
One
(Number)
One
One is the loneliest
One is the loneliest
(Number)
One is the loneliest number that you'll ever do
