

# Incarnation of Evil

## Dies Irae

You pray, you kneel  
You worship  
For thousands years  
You sacrifice I am the holy son  
Created from the chaos  
As the god of the race  
Of human rats  
As the heir of evil  
I rule on earth You pray, my will  
You sacrifice  
My will, my vanity All energy and faith  
All hassle and pain  
Gaol in the garden  
Legacy of sin, radiant sign  
Of incarnated evil You pray, my will  
You sacrifice  
My will, my vanity Toppled sculpture  
The godhead in ruins  
Outflow of goodness  
As my reprisal  
Ruthless I am  
And incarnation of evil
