

Keep It Real

Jonas Brothers

(Oh yeah) You dream of a day,
When the songs that you play,
Are blasting through the speakers in your car,
And it comes in a flash,
And you hear the crowd,
Screaming out your name for the encore Living life,
Life in the fast lane,
Not that bad,
No, we can't complain,
Who's to say,
That we won't keep it real,
Hold on tight,
Don't you dare let go,
Now's the time
Let the whole world know,
You can shine bright but still keep it real Who could know
That you'd be on the road,
Selling out the tickets to your show,
And when you're home,
You're still the one,
You were before you left to go on tour Living life,
Life in the fast lane,
Not that bad,
No, we can't complain,
Who's to say,
That we won't keep it real, yeah
Hold on tight,
Don't you dare let go,
Now's the time
Let the whole world know,
You can shine bright but still keep it real Did you ever think your dreams,
(Could become a reality, whoa)
And all you did was just believe Living life,
Life in the fast lane,
Not that bad,
No, we can't complain,
Who's to say,
That we won't keep it real,
Yeah Living life,

Life in the fast lane,
Not that bad,
No, we can't complain,
Who's to say,
That we won't keep it real,
Hold on tight,
Don't you dare let go,
Now's the time
Let the whole world know,
You can shine bright but still keep it real
