

# 1000 People

## Blackfield

A thousand people yell  
Shouting my name  
But I wanna die in this moment  
I wanna dieAnd a thousand people smile  
Smiling at me  
But I wanna die in this moment  
I wanna dieNo way to understand  
Why I've become the way I am  
When the sky is filled with stars  
I find a place inside my heartSome people can take a blow  
And won't ever drop  
But I wanna die in this moment  
I wanna dieShe will tell me she loves me  
And she won't ever stop  
But I wanna die in this moment  
I wanna dieThe coldness in my soul  
And I reach out for her to hold  
Then I watch her close her eyes  
It's only me that needs to cryAnd if I stay with you  
Do you believe that I'll pull through?No way to understand  
Why I've become the way I am  
When the sky is filled with stars  
I find a place inside my heartThen I watch her close her eyes  
It's only me that needs to cryA thousand people yell  
Shouting my name  
But I wanna die in this moment  
I wanna die
