Bad

Jonn Hart

My chick, drop dead gorgeous
She wet, leaking faucet
Portrait, picture perfect
And she do what she want she know
She bad, bad, bad, bad, bad, bad
She bad, bad, bad, bad, bad, bad
Off top, shawty stay swerving
Can't stop with all them curves and
So real from head to toe and picture perfect hair just flowing
She a dime, roll with dimes too
Dollar bill just walked in the room
She the baddest out her whole crew
So cold like she got the flu
She know what to do
She got that shit that make you go coo-coo
My chick, drop dead gorgeous
She wet, leaking faucet
Portrait, picture perfect
And she do what she want she know
She bad, bad, bad, bad, bad, bad
She bad, bad, bad, bad, bad, bad
Baby is straight perfection
Her shoe game is so damn reckless
Shine like a diamond on her necklace
That swag is so infectious

Her smile lights up the room
Never tripping, no attitude
So fancy whipping her cool
She break necks when she slide through
She know what to do
She got that shit that make you go coo-coo
My chick, drop dead gorgeous
She wet, leaking faucet
Portrait, picture perfect
And she do what she want she know
She bad, bad, bad, bad, bad, bad
She bad, bad, bad, bad, bad, bad
She know she bad

Killin' them is sad
Don't care what no one say
She do it her own way
Fuck them haters, let them hate
Fuck them haters, let them hate
She bad
My chick, drop dead gorgeous
She wet, leaking faucet
Portrait, picture perfect
And she do what she want she know
She bad, bad, bad, bad, bad, bad
She bad, bad, bad, bad, bad, bad
