Wawungcono wena sthandwa sami
Ngyak'cela buya
[Chorus]
We' Madludlu (ngixolele)
We' Madluuudlu (ngyak'khumbula)

We' Madludluu (ngixolele)
Ngisak'thanda
[Verse 2]
Uthando lwakho nempatho yakho,
ayiphumi, ayilibaleki
Ngabe nginamanga mangithi
imfudumalo yakho makubanda
ayikhumbuleki
Isikhala owasishiya enhlizweni yami
bazamile ayi as'valeki
Angisayikhulumi eyobuhle bakho awu
phela leyo ayichazeki
Bekuthi izinto mazibheda kunzima
uwe obungiduduza
Wawungazi, bothi sobaâ€™right ilanga
lizophuma
Ngoba ungibuyisela endleleni
sthandwa sami uma ngiduka
Ngyawakhumbula amagama akho
mhla ngikushiya uthi ngzokukhumbula
Sekungificile ukuhlupheka isimo
engikuso sthandwa asinambitheki
Ebsuku ayi akâ€™laleki

Ngisho ukudla nakho akungeni
Thinking about the good times we
haaaad mina nawe
Thinking about the good times we had
mina nawe

[Verse 2]
Baqinisile uma bethi you never know
what you have until itâ€™s gone
Ubungithanda ngothando lwangempela
mina angizange ngilubone
Ngathatha uthando lwaakho
Ngadlala ngalo, unginike ngenhliziyo
emhlophe
Baqinisile uma bethi you never know
what you have until itâ€™s gone
Ubungithanda ngothando lwangempela
mina angizange ngilubone
Ngathatha uthando lwaakho
mntanomuntu
Ngadlala ngalo, unginike ngenhliziyo
emhlophe
Awu mina ngisakuthanda kahle njeâ€™na
Ngisakukhumbula kahle nje
Awu mina ngisakuthanda kahle njeâ€™na
Ngisakukhumbula kahle nje
[Hook]
[Chorus] x 2
