

We Care a Lot

Faith No More

We care a lot. We care a lot. We care a lot about disasters, fires, floods, and killer bees.
About the nasa shuttle falling in the sea. We care a lot about starvation and the food that live aid bought. We care
a lot about disease baby rock, Hudson, rock. Woah! Oh its a dirty job but someones gotta do it.
Oh its a dirty job but someones gotta do it. We care a lot. We care a lot. We care a lot about the gamblers and the
pushers and the geeks. WE care a lot about the smack and crack and wack that hits the streets. We care a lot
about the wellfare of all you boys and girls. We care alot about you people cuz we're out to save the world.

Yeah! Well its a dirty job but someones gotta do it.

Oh its a dirty job but someones gotta do it.

Said its a dirty job but someones gotta do it.

Oh its a dirty job but someones gotta do it.

Oh its a dirty job but someones gotta do it.

Oh its a dirty job but someones gotta do it.

Oh its a dirty job but someones gotta do it.

Said its a dirty job but someones gotta do it. We care a lot about the army navy airforce and marines. We care a
lot about the ny sf and lapd. We care a lot about you people.

We care alot about your guns.

We care a lot about the wars we're fighting. Gee that looks like fun! We care a lot about the garbage pail kids,
they never lie.

We care a lot about transformers because theres more than meets the eye.

We care a lot about the little things, the bigger things we top.

We care a lot about you people, yeah you bet we care a lot.

Yeah! Said its a dirty job but someones gotta do it.

Well its a dirty job but someones gotta do it.

Said its a dirty job but someones gotta do it.

Well its a dirty job but someones gotta do it.

Well its a dirty job but someones gotta do it.

Said its a dirty job but someones gotta do it.

Said its a dirty song but someones gotta sing it.

Woah!
