

# Go Go Gadget Gospel

## Gnarls Barkley

I'm well on my way  
I'm almost everything  
And this is my day  
Make me wanna sing

I'm free, look at me  
And all and everything  
I'm allowed to see  
Free, come and see  
Na na na na na na na

Shapeless, formless  
Heart is enormous  
I've born this, I've worn this  
No never what the norm is  
Come here this is fearless  
Contrast in color  
Wisdom's a woman  
Listen and love her

Hook:

I'm free, look at me  
Freedom in hi-fidelity  
Free, come and see  
Na na na na na na na

What are you waiting on  
I want action, passion, smiling  
Laughing, yielding, feeling  
Helping, healing  
Introduce your neighbour  
To your savior

I'm free, look at me  
Freedom in hi-fidelity  
Free  
Na na na na na na na
