

Goodbye Baby

The Heavy

By time we left our stares
Damage was done
No sweet forgiveness
And nowhere to run
Still can't believe shit that got saved
Reverberated around my ear It was goodbye, baby
Baby, goodbye
You'll be gone
Goodbye, baby
Baby, goodbye
Where you belong By time we hit Brooklyn
Blood had run cold
Our fever said, "get your own home" Love in your eyes
Darkness disguise
Demons drifting away
Oh, oh, hope in my heart
Pull me apart
Darling don't leave me this way Goodbye, baby
Baby, goodbye
You'll be gone
Goodbye, baby
Baby, goodbye
Where you belong It's goodbye, baby
Baby, goodbye
You'll be gone
It's goodbye, baby
Baby, goodbye
Where you belong
