Lay You Down (Intro)

Ronald Isley

Uh, uh, uh, oh, oh, oh
La, la, la la
Oh, oh, oh
I had to leave town, oh yeah
Oh baby, oh, oh, oh
Oh, oh, oh, oh yeah!Hey there, pretty lover!
I see you in a way like no other, no, no
And we know when lovers meet this close
There's something that we both share
Never been a better place, or a better time
And when you got me feeling so goodI wanna lay you down, oh, oh!
I hope you're ready now, oh, oh
Oh, oh, you see me
And you've been kissing on me
And girl, I've been kissing on you, yeah
Right now I wanna lay you down, oh, oh
There's no one else around to see me, oh, oh
You belong to me and girl, I belong to you
Let's do what lovers do yeah, yeah!You ask, 'am I sure?'
'Oh yeah!'
And I say, 'girl I'm sure, more sure
Than I ever been, never been this sure, never before!'
Oh, I think I'm sure, yeah!
Oh, we know when
Lovers meet this close
There's something that they both share
Ah, ah, I can only hope you feel the same
Do you feel the same, girl?I'm so in love with you
I need love from you (I need love from you, girl)
You, you, girl, only you
You, baby, you!
Only you!
Baby, take my hand
I wanna lay you down
I wanna lay you down
I hope you're ready now
I hope you're ready!
Yes, baby! You'll be kissing on me
And girl, I'll be kissing on you

Right now I wanna lay you down!
There's no one else around
Cause baby, you belong to me
And I belong to you
Let's do what lovers do!I wanna lay you down!
I hope you're ready now
Oh, oh, you see me
And you've been kissing on me
And girl, I've been kissing on you, yeah
Right now, I wanna lay you down!
There's no one else around to see me
You belong to me
And girl, I belong to you
Let's do what lovers do yeah, yeah!
Lay you baby, lay you down
Lay you baby, had to lay you down, down!
