

Beauty Lies in the Eye

Sonic Youth

There's something in the air there
Makes you go insane
Brings you back to me
It's been so long All that I have to do
Is live along
It's coming, coming down
Over me Do you want to see
The explosions in my eye
Do you want to see
The reflection of how we used to be Beauty lies
In the eyes of another's dreams
Beauty lies
Lost in another's dream It's coming, coming down over me
Do you want to see
The explosions in my eye
Do you want to see
The reflection of how it used to be Hey baby, hey sweetheart
Hey fox, come here
Hey beautiful
Come here, sugar
