

Possessed

Prince

Oh yeah!
Something's the matter baby, I'm going insane
Something inside of me keeps talkin' to my brain
Why can't I stop this satanic lust?
I know I shouldn't hold you, but my body says I must I'm possessed, ooh
And I don't know what to do
Ooh, I'm possessed, yes, ooh
I'm stone crazy in love with you Something's the matter baby, you're all I see
Your voice is all I hear beggin' to me
I wish I didn't need you, wish I didn't care
I've got to make some love to you 'cause it much to much to bare I'm possessed, yes I am
And I don't know what to do
Ooh, I'm possessed, oh
I'm stone crazy in love with you I'm possessed
Don't know what to do
I'm possessed
I'm stone crazy, ooh Something's the matter baby, my mind's in a daze
I'm trippin' on your love, it's so hard 4 me to lay
Can't stop this yearnin', Lord knows I've tried
Free me from despair, I'm much to young to die I'm possessed, ooh
And I don't know what I'm gonna do
I'm possessed, ooh (I'm)
I'm stone crazy in love with you I'm possessed, ooh (Yes I am)
And I don't know what I'm gonna do
I'm possessed, yeah!
I'm stone crazy in love with you, ooh
Yeah ooh
Yeah ooh
Yeah ooh
Yeah! Possessed
Stoned up, up in the head, baby
Said I'm possessed, mm mm
All I want to do is lay you down in my bed
I'm possessed, oh
Yes I am
How's about me not knowin' what to do?
I'm possessed
Yes, oh yeah
I'm, I'm stone crazy in love with you, yeah yeah

Pussy sugar... yeah yeah Possessed

I only want to do things, baby
Only want to do things growin' inside a negro's brain, yeah

I'm gonna hit you with my guitar, baby Oh yes
Mm, oh yes
Bobby Z, step on it
Step on it

Step down on my head now, baby Yeah, I'm possessed

Baby you know I got this lust, yeah
I don't want to hold ya

But my body says I must!

Do you mean "yeah"? (Yeah!) (Give it to me)
Baby, if I don't
'cause baby, if I don't

You know your pussy puts up quite an awful fuss
Yes it does
Puts up a fuss, yeah
You know what that means
You're gonna get wet
Pussy get wet, mm mm Something's the matter baby, I'm goin' insane
Something inside of me keeps talkin' to my brain
Why can't I stop this satanic lust?
I don't want to hold you but my body says I must I'm possessed, yeah!

Stone in love with you (Stone in love with you, baby)
Stone in love with you, baby
Stone crazy in love with you, baby Me and the boys, we like to jam
