Jaden's Interlude

Will Smith

Jada: What are you doing?
Jaden: I'm just looking over there
Jada: You looking over there?
Jaden: Yeah I'm just looking at the piano
Will: You ready to come out yet?
Jaden: No
Will: You cool? You chillin'?
Jaden: Mmm hmm
Will: It's all good?
Jaden: Yeah
Will: You gonna be quiet when mommy is singing?
Jaden: Yeah
Will: You can talk right now though
Jaden: OK. How you gonna warm up?

Jada: (clears throat) Well hopefully if I keep doing it enough I'll get it right
Jaden: Mom can I have some microphones? Can I have some earphones on?
Jada: Uuuhhhmmm Will? I don't know if they have extra, can Jaden have earphones? (laughs) (door closes) Oh there you go Jaden
Jaden: OK
Jada: You can hear me?
Jaden: Yeaaaahhhh
Jada: OK
Jaden: Can I talk to my daddy?
Jada: Daddy can hear you
Jaden: Hi daddy, what's up?
Will (faded): Can you hear me?
Jaden: Yeah. Wooooow
Jada: But when the music starts you have to be quiet
Jaden: K
