The Saltwater Room

Owl City

I opened my eyes last night And saw you in the low light

Walking down by the bay on the shore

Staring up at the stars that aren't there anymoreI was feeling the night grow old

And you were looking so cold

So, like an introvert, I drew my over shirt

Around my arms and began to shiver violently before You happened to look and see

The tunnels all around me

Running into the dark underground

All the subways around create a great soundTo my motion fatigue: farewell

With your ear to a seashell

You can hear the waves in underwater caves

As if you actually were inside a saltwater roomTime together isn't ever quite enough

When you and I are alone, I've never felt so at home

What will it take to make or break this hint of love?

We need time, only timeCan you believe that the crew has gone

And wouldn't let me sign on?

All my islands have sunk in the deep

And I can hardly relax or even oversleepBut I feel warm with your hand in mine

When we walk along the shoreline

I guess we'll never know why sparrows love the snow

We'll turn off all of the lights and set this ballroom aglow(So tell me darling, do you wish we'd fall in love?)

(Yeah, all the time)

(All the time)Time together isn't ever quite enough

When you and I are alone, I've never felt so at home

What will it take to make or break this hint of love?

Only time, only timeWhen we're apart whatever are you thinking of?

If this is what I call home, why does it feel so alone?

So tell me darling, do you wish we'd fall in love?

All the time, all the timeTime together isn't ever quite enough

When we're apart whatever are you thinking of?

What will it take to make or break this hint of love?

So tell me darling, do you wish we'd fall in love?

All the time, oh all the time
