TranslationTime, time, dont let me down
Youre the man in my play ground
What you say I will obey night and dayFeel free to turn me on
Feel free to change my song
I will count and you will go on sing my songI say
Zman-man, ten li rak siman man, ten li et hazman
Lama lokhets alay? TishanYou got to give me more time
Zman-man, lama lo tishan-shan? Tagid li kama zman
Lama lihyot shakhor lavan?Time, time, could you be mine?
I will feed you songs and wine
Ill make you lazy, Ill make you late
Wait, wait, waitWait, wait, we two are one
But you always take the lead
I lay down and you just run
Mind your speedI say
Zman-man, ten li rak siman man, ten li et hazman
Lama lokhets alay? TishanYou got to give me more time
Zman-man, lama lo tishan-shan? Tagid li kama zman
Gimme, gimme, gimme, gimme time
Lama lihyot shakhor lavan?
You dont know what we talk aboutZman-man, ten li rak siman man, ten li et hazman
Lama lihyot shakhor lavan?Time, time, dont let me down
