The Twentys

It's been a while now
I'm way too used to be by myself but I'm seeking your smile out
Most of me is terrified but I'm wanting to leave my guard down

Just to see if it might work out
Cuz I'm known as the boy who's been running away
And you're known as the girls who's got no where to stay
But together we are something we are something i think
And I fall for you more everytime that you blink
I'm attached, I'm attached, I'm attached this time
I'm attached, I'm attached, I'm attached for life
I'm attached, I'm attached hope it all goes right
Hope it all (Hope it all)

I won't never go
But I won't let you go

And I think, that we always knew, Yeah
No doubts no fears, does matter cuz I'm certain man too, ohh
And the future belongs to those who know where they belong
(You know my heart's good)
So just believe in me, find a new way to stay in my arms (In my arms)

"M-man it's just a chick" That's what they all said
"You ain't got time for that" Of course I do, that's my bae (Real)
My best friend, we've been through it all may good or bad
Since when is it OK to abandon a best friend
Just cuz it's not picture perfect
Just cuz you had some fights
Thank her parents for her being so beautiful, waking up to you feel so right
You ain't sharing these moments with us
You ain't got how to get
You ain't taking these journeys with us
Like I did with my boys
You ain't never fucking with us
I'm attached, I'm attached, I'm attached this time
I'm attached, I'm attached, I'm attached for life
I'm attached, I'm attached hope it all goes right
Hope it all (Hope it all)
I'm attached, I'm attached, I'm attached this time

I'm attached, I'm attached, I'm attached for life
I'm attached, I'm attached hope it all goes right
Hope it all (Hope it all)
Cuz I'm known as the boy who's been running away
