Playboy

Buck Owens

They call me a playboy while I'm makin' my rounds
Chasing the bright lights of every night spot in town
Though I never show love my heart's breakin' in two
They may call me a playboy but I'm just lonesome for youI once had a real love that was when I had you
Now I'll never feel love for anyone new
This false front I'm wearin' is just to cover my blues
They may call me a playboy but I'm just lonesome for youThey may call me a playboy but I'm just lonesome for you
They may call me a playboy but I'm just lonesome for you
