

Lemons

[Corey Cyr](#)

When life gives you lemons you make funny faces.

Meet lots of different people in different places.

Gotta put on a show, you'll know once you make it.

When life gives you lemons you make funny faces. Put on a red-jumpsuit baby, twist and shout.

Come on, dance along, that's what it's all about.

Keep your thoughts in a box don't let 'em out.

Put on a red-jumpsuit baby, twist and shout. You can live and let live, but gotta learn to let die.

Stand up straight, wearing guns in your eyes.

Don't feel bad, you ain't livin' a lie.

You can live and let live but gotta learn to let die. You can eat a peach, give a speech, preach, or give prayer.

You can find the time to give a dime, tell your mind over there.

But they will tear you from your chair, and take you downtown.

They will turn your funny smiles straight into a frown.
