

# C U Next Tuesday

## Ke\$ha

I was looking lost  
It was cold outside  
The whiskey rocks  
How you caught my eye  
My red lips painted  
Just got them black  
I needed something  
To bring me back  
You knew the play  
And we danced all night  
But something wasn't right

So I'll see you next Tuesday  
If I ever get desperate  
Or I'm so beyond faded  
I'll see you next Tuesday  
Kinda nice out this morning  
I won't sit around waiting  
And I'm not just being cold  
I'm just watching you pretend  
Like your heart is on your sleeve  
When I know you have a girlfriend  
Oh, I'll see you next Tuesday  
Oh oh, oh oh, oh, oh oh oh, oh oh oh

You don't call and you won't admit (won't admit)  
The lies you spin for your power trip  
And I just can't take you seriously  
When all you send is a text to me  
So I'll be gone when the morning comes  
Let's not pretend it's love

So I'll see you next Tuesday  
If I ever get desperate  
Or I'm so beyond faded  
I'll see you next Tuesday  
Kinda nice out this morning  
I won't sit around waiting  
And I'm not just being cold

I'm just watching you pretend  
Like your heart is on your sleeve  
When I know you have a girlfriend  
I know you have a girlfriend  
I'll see you next Tuesday  
Oh oh, oh oh, oh

I don't want anything from this  
I got your number, don't call me  
I'll call you if I need a hit  
I don't need no drama from this  
I know you got your girl  
And I don't need to do it on my ship  
So I'll see you next Tuesday  
I'll see you next Tuesday

So I'll see you next Tuesday  
If I ever get desperate  
Or I'm so beyond faded  
I'll see you next Tuesday  
Kinda nice out this morning  
I won't sit around waiting  
And I'm not just being cold  
I'm just watching you pretend  
Like your heart is on your sleeve  
When I know you have a girlfriend  
I know you have a girlfriend  
So I'll see you next Tuesday  
Oh oh, oh oh, oh oh
