

Change of Seasons

Sweet Thing

You want love, but you fear it
Your attentions been shifted
Youâ€™ve summed up the feeling
With a simple dismissing

What you gonna do this evening
It ainâ€™t you, believe it
Cause our love, ainâ€™t easy
It changes with seasons

Yeah, where were going I donâ€™t know
Oh, so baby wonâ€™t you let it go
(Baby wonâ€™t you let it go)

You sewed shut the curtains
You closed out the light coming in
And all your friends you donâ€™t want near
You donâ€™t want advice, advice to hear

Cause inside, youâ€™re working
Your mending, whats broken
Cause our love ainâ€™t easy
It changes with seasons

Yeah, where were going I donâ€™t know
Oh, so baby wonâ€™t you let it go
Oh, yeah
Where were going I donâ€™t know
Oh, so baby wonâ€™t you let it go

Donâ€™t you worry, wonâ€™t you let it go
Baby donâ€™t worry
Just let it go, let it go (x8)

Oh yeah
Where were going I donâ€™t know
Oh, so baby wonâ€™t you let it go
Oh, yeah
Where were going I donâ€™t know
Oh, so baby wonâ€™t you let it go
