

Way Back into Love (unlive)

Hugh Grant & Haley Bennett

Ive been living with a shadow overhead
Ive been sleeping with a cloud above my bed
Ive been lonely for so long
Trapped in the past, I just cant seem to move on Ive been hiding all my hopes and dreams away
Just in case I ever need 'em again some day
Ive been setting aside time
To clear a little space in the corners of my mind All I want to do is find a way back into love
I cant make it through without a way back into love, oh oh oh Ive been watching but the stars refuse to shine
Ive been searching but I just dont see the signs
I know that its out there
There's got to be something for my soul, somewhere Ive been looking for someone to shed some light
Not somebody just to get me through the night
I could use some direction
And Im open to your suggestions All I want to do is find a way back into love
I cant make it through without a way back into love And if I open my heart again
I guess, Im hoping youll be there for me in the end There are moments when I dont know if its real
Or if anybody feels the way I feel
I need inspiration
Not just another negotiation All I want to do is find a way back into love
I cant make it through without a way back into love And if I open my heart to you
Im hoping youll show me what to do
And if you help me to start again
You know I will be there for you in the end
