Chris Palser

safe
was the last thing to change
all the way that you came
so far for you
the reasons you gave
we already knew
now that you're here
still so upset
what can I say
cuz I meant
every word
that I saidit's not up to you
you don't get that
first you had to leave
now you wanna choose
the best you'll never have
now it's through
that's too bad
if you're glad that you came
why do you seem so sadsafe
was just a phone call away
look how far that I came
to be next to you
the reasons I gave
still no excuse
now that I'm here
back here so soon
what can I say
cuz I know
you did what you had to donow I'm in my new place
and away I go
forgot how to be free
to be on my own
and here's where I'll be
cuz I can't go home
thanks again
for the choice
that left you alone
