

# Nobody

## Robert Randolph & The Family Band

Looking out my window  
I could see my time with you is running low  
When I think about all that you've done  
But there's a truth, it hits me like the morning sun  
I gotta say Cant nobody, can't nobody  
Can't nobody love me like you love me  
Cant nobody, can't nobody  
Can't nobody love me like you love me You never left me on my own  
You are the reason I sing this song  
You kept me warm on the coldest nights  
You helped me get from the dark to the light Im ready to die while I know you love me  
Nobody, nobody, love me like you love me Cant nobody, can't nobody  
Can't nobody love me like you love me  
Cant nobody, can't nobody  
Can't nobody love me like you love me Sing, nobody, nobody  
No, no, no, no, nobody  
Nobody Sing  
Can't nobody love me like you love me  
Nobody  
Can't nobody treat me like you treat me  
Nobody Sing, no, no, no, nobody  
No, no, no, nobody  
Sing, no, no, no, nobody  
No, no, no, nobody Sing  
Nobody, nobody  
No, no, no, no, no, nobody  
Nobody Nobody, nobody, nobody, nobody  
Can't nobody love me like you love me  
Nobody  
Can't nobody hold me like you hold me  
Nobody No, no, no, nobody  
No, no, no, nobody  
No, no, no, nobody  
No, no, no, nobody  
No, no, no, no, no, no, nobody Nobody, nobody  
No, no, no, no, nobody
