

Suicide Alley

Manic Street Preachers

I'm going down to suicide alley
'Cause the air I breathe tastes better down there
I'm going down to suicide alley
'Cause it seems as if it's the only place for me
And I'm going down to suicide alley
Where you can't get at me
And I'm going down to suicide alley
Where I can be what I want to be
You won't eat away at my mind
With your ideas of decency
I'll be in suicide alley
Being who and what I want to be
