Suicide Alley

Manic Street Preachers

I'm going down to suicide alley 'Cause the air I breathe tastes better down there I'm going down to suicide alley 'Cause it seems as if it's the only place for me And I'm going down to suicide alley Where you can't get at me And I'm going down to suicide alley Where I can be what I want to be You won't eat away at my mind With your ideas of decency I'll be in suicide alley Being who and what I want to be
