

Jig Is Up

Aerosmith

Passion queen sold like black vaseline
She was a long cold Sally, joy stick, know what I seen
She's alright Drashin' spurs, pong man, puss n' boots
She was an old mo lip, bold hip, oooh
Fucked up fucked up fuck 'em fuck 'em booty yeah Sweet pretty lady (Lick 'em, love 'em)
Loose city floozy (Push 'em, shove 'em)
All kinda crazys (Left for lover)
Hair line choosy New York Jets, old Jock, wide in the city
Locker room lady, drive me crazy, what you do
She's all tight
Ain't alright, heh heh Sweet pretty lady (Lick 'em, love 'em)
Loose city floozy (Push 'em, shove 'em)
All kinda crazy (Left for lover)
Hair line choosy
One for the funny
Two for the love
All to get ready Sweet pretty lady (Lick 'em, love 'em)
Loose city floozy (Push 'em, shove 'em)
All kinda crazy (Left for lover)
Hair line choosy
