Stranger stranger danger
Baby I wanna rearrange ya
I wanna know gal where u come from
'Scuse me for looking at ur bum bum
Oh u ain't heard of such a bad man (bad man)
Hey girl I'm such a bad man Oh babe ur waist
Y u put it in my face
Got me popping Little pills
I'd love a taste
Gotta loose control, wen u jump up on my pool
Baby gal u own my soul
You're the one I chose and know o oh na na Hey bad gal, u missed me,
Baby I like it, u love it, don't keep me waiting
